

# THE BROWNSON BULLETIN

April 2026

## 👋 INTRODUCTION 👋

Welcome to this month's edition of the *Brownson Bulletin*! We hope that you enjoy reading the *Brownson Bulletin* this month!

## 📌 BULLETIN BOARD 📌

### Preparing For Our 42<sup>nd</sup>

BY NICK BROWN

Brownson Technical School has been hard at work recently, with our upcoming 42<sup>nd</sup> Anniversary Job and Career Fair coming up this month on Friday, April 17<sup>th</sup>. In addition to parking lot expansion, Brownson has been hard at work in our HVAC/R lab. In case you haven't noticed, our lab is also in the process of being repainted at the time that I am writing this article. We are excited on our end to put our best foot forward for employers this month, and for current students and graduates to potentially meet their new employers. If you haven't RSVP-ed for this event yet, please do so by talking to Gloria (in person or over the phone) by Monday, April 6<sup>th</sup>. We hope to see everyone there! For more information on this event, please see the flyer to the right. → → →

#### BROWNSON TECHNICAL SCHOOL Celebrating 42 Years!

Open House and Job Fair

Friday, April 17, 2026

11:00 A.M. - 2:00 P.M.

1110 S. Technology Circle,  
Anaheim, CA 92805

All students are invited to attend and connect with employers.

Module 8 students should bring a résumé and be prepared to speak with employers.

Lunch will be catered. \*\*Please RSVP\*\*

Vendors are also doing a tool raffle! Come prepared to win some new tools!

SEE YOU THERE!

If you have any questions regarding this event, please speak with Gloria, Chelsea, or Marci!

*Our flyer for this event. Please view for more details.*

*Day Class*

**Beryk Bello**

*Blended Class*

**Emmanuel Cortes**

*Traditional Evening Class*

## WHAT IS YASKAWA VFD TRAINING?

In partnership with Yaskawa, Brownson Technical School is offering an exclusive online training program for certification as a Yaskawa HV600 VFD Start-Up Specialist. This comprehensive course covers the installation, configuration, and troubleshooting of Yaskawa variable frequency drives (VFDs), which are essential tools for controlling HVAC motors in modern industrial systems. Benefits of certification include industry recognition, enhanced employability, hands-on skills, and networking. The cost is \$220 (Payable by check, cash, or credit card). Register by visiting [www.brownson.edu](http://www.brownson.edu) and going under “Events.” If you need help registering or have questions, contact Joe Keleman at [joe@brownson.edu](mailto:joe@brownson.edu). Invest in your future-- become a Yaskawa VFD-certified start-up technician today!

## WE ARE BROWNSON TECHNICAL SCHOOL!

### Our Mission Statement

**SOURCE: “BTS CATALOG”** ([www.brownson.edu](http://www.brownson.edu))

*“Brownson Technical School’s mission is to make a positive change in someone’s life through vocational training. At the heart of our mission is the desire to address the divergent needs and aspirations of the variety of adult learners who come to us from a wide range of educational, occupational, and experiential backgrounds, all of whom have chosen to acquire new technical skills to change or advance their individual careers and lifestyles.”*

1110/1100 S Technology Circle, Anaheim, CA 92805

## **Program Description\***

### **HEATING, VENTILATION, AIR-CONDITIONING, AND REFRIGERATION TECHNOLOGY TRAINING IN 1040 HOURS!**

Students who complete our program can diagnose, service, install, and repair HVAC/R equipment and understand the reason for a building to gain or lose heat, as well as help mitigate the impact on energy usage. Our program also includes training on systems using direct digital controls (or “DDC”). The overall scope of this program is to prepare graduates to learn how to get the most out of the equipment’s performance, which is different than how this type of training is typically done. Our HVAC/R program sees the building as a “System” and the equipment as a “Sub-system.” Moreover, as California moves towards "Net-zero" energy usage for new residential and commercial buildings, we must also bring existing buildings to the new energy standards. These newer State standards affect many types of buildings, and our program will prepare you for these types of changes.

### **MAKE AN APPOINTMENT TODAY!**

**(714) 774-9443**

**[www.brownson.edu](http://www.brownson.edu)**

*\*Our program meets the educational requirements to proceed with the Local 250 Union Apprentice Program.*

## **Which Program is Right for You?**

Check our table below to find out which program is right for you.

| <b>Program</b>             | <b>Length (months)</b> | <b>Days a week</b>   | <b>Instruction type</b> |
|----------------------------|------------------------|----------------------|-------------------------|
| <b>Day</b>                 | 10 months              | 4 (Monday-Thursday)  | Only on-campus          |
| <b>Traditional Evening</b> | 22 months              | 3 (Monday-Wednesday) | Only on-campus          |
| <b>Blended</b>             | 10 months              | 3 (Monday-Wednesday) | Partially online        |

## Why Brownson Technical School?

When considering an HVAC/R training facility, one must do the proper research. Several schools offer HVAC/R training, including community colleges or schools that teach multiple trades. Brownson is different! Here's why:

- Lower-cost tuition per hour than many schools in the area.
- We only teach HVAC/R!
- Our graduates can become HVAC-Excellence Certified, receive additional certifications, and take NATE CORE.
- Our training can take as little as ten months\*!
- Part of our training can be done online\*\*!
- We have a lab area of 12,000+ square feet filled with some of the most up-to-date equipment we can obtain!

\*Applies to our 10-month Day program

\*\*Applies to our 10-month Blended program

## What do Our Graduates Say About us?

As we have previously mentioned, prior to enrolling in a trade school, or in this case, an HVAC/R school, "One must do the proper research." Sometimes, that

"Research" could be done on the school's website in their testimonial section.

Testimonials are given by the graduates who loved their school so much that they decided to recommend it to prospective students. On Brownson's website, we, like many schools, also have a testimonial section. Some of our testimonials are written, while others

are filmed. If you are still not sure about Brownson and want to see what others think, please visit

[www.brownson.edu/why-bts/testimonials](http://www.brownson.edu/why-bts/testimonials), or scan the QR code to the right. >>>

“Excellent experience very hands on. Instructor very helpful.”  
— Anthony Arnold

“Staff was on point. Learned to be a problem solver and not a part changer. Hands on and open your brain to a flood of info. Thanks again.”

— Falemanu B. Vaioletama Jr.

“I'm very happy and proud to have Graduated from B.T.S. Unbelievable staff helpful in all areas... Highly recommend to whomever wants to join the A.C field. Thanks Brownson Tech School!”

— Art Gonzalez
