40th Anniversary Celebration Recap

BY NICK BROWN

On Thursday, April 4, 2024, we had our 40th Anniversary Celebration at Brownson Technical School to celebrate our 40 years as an HVAC-R school! We had food, music, and even employers! We also offered tours of our campus. The 40th Anniversary Celebration was a great way for graduates to stop by and say hi to us, and for our students to meet some employers. It's safe to say that the students and all the attendees had a great time there! Many cannot believe that Brownson Technical School has been an HVAC-R school for 40 years now, but time sure does fly by sometimes, doesn't it? In case you missed this celebration party, you can check out the full recap video on our YouTube channel:
