

THE BROWNSON BULLETIN

July 2024

INTRODUCTION

Welcome to this month's edition of the Brownson Bulletin! This month, we introduced Brownson Broadcast and updated our Regular Information section. Enjoy this edition of the Bulletin!

BULLETIN BOARD

Welcome, Brownson Broadcast!

BY NICK BROWN

Starting this month, we will no longer be only writing our news, we will now be filming it, too! Introducing... "Brownson Broadcast"! Brownson Broadcast is meant to be a more entertaining way of receiving Brownson Technical School news. Be sure to tune in to the first ever Brownson Broadcast episode on our YouTube channel, where you can find all our school videos. When you're there, be sure to click "Subscribe" and turn on the Notification Bell to be notified when we upload a new episode of Brownson Broadcast or any Brownson Technical School video! You can check out our YouTube channel with the link below!

BULLETIN TRIVIA

Brownson Bulletin Trivia

July 2024

What year was the Declaration of Independence signed?

- a. 2004
- b. 1922
- c. 1833
- d. 1776

Who signed the Declaration of Independence?

- a. Congress
- b. US Senate
- c. United Nations (UN)
- d. European Union (EU)

ANSWERS

- 1) D
- 2) A

Description:

The Declaration of Independence was signed by Congress in the year 1776. The Declaration was the document that gave the United States of America their independence as a nation from Great Britain. The Declaration is why we celebrate *Independence Day*, or also known as “Fourth of July”.

STUDENT SECTION

Brownson Technical School takes pride in showing appreciation to all students, current or former!

Program Description*

HEATING, VENTILATION, AIR CONDITIONING, AND REFRIGERATION TECHNOLOGY TRAINING IN 1040 HOURS!

Students who complete our program will be able to diagnose, service, install, and repair HVAC-R equipment and understand the reason for building to gain or lose heat, as well as helping mitigate the impact on energy usage. Our training also includes training on systems using direct digital controls (or “DDC”). The overall scope of this training is to prepare graduates to learn how to get the most of the equipment’s performance, which is different than how this type of training is typically done. Our training sees the building as a system and the equipment as a sub-system. Additionally, as California moves toward “net-zero” energy usage for new residential and commercial buildings, we must also bring existing buildings up to the new energy standards.

MAKE AN APPOINTMENT TODAY!

(714) 774-9443

WWW.BROWNSON.EDU

*Our program meets the educational requirements to proceed with the Local 250 Union Apprentice Program.

Why Brownson Technical School?

When considering an HVAC-R training facility, one must do the proper research. Several schools offer HVAC-R training, including community colleges or schools that teach multiple trades.

Brownson is different! Here's why:

- Lower-cost tuition than many schools in the area.
- We only teach HVAC-R!
- All graduates can become NATE CORE Certified, HVAC Excellence Certified and receive additional certifications.
- Our training can take as little as ten months*!
- Part of our training can be done online**!
- We have 12,000+ square feet of lab area filled with some of the most up-to-date equipment we can get our hands on!

*Applies to our 10-Month Day Class Program

**Applies to our 10-Month Blended Program

Message from us to you

Thank you so much for reading this edition of The Brownson Bulletin. We hope that this month is enjoyable for you and very helpful in your HVAC/R journey! Have an outstanding month of **July** and the rest of 2024!
