Job Placement Assistance

Hey students! If you are looking for a job in the HVAC-R field after graduation, please contact Dodie Hall at dodie@brownson.edu or visit her office in the hallway of Unit C.

Graduates

Hey Graduates! We would love to hear from you guys! If you are currently employed, we would love it if you came to us with your company vehicle. We also have free pizza days after New Start Days. You may always send us emails talking about your career and come back to us if you are in search of a job in the field.

The Brownson Story (June 2023)

Brownson Technical School was founded as Brownson Appliance and Air Conditioning Company in Placentia, CA in 1975 by Don Brown and Bill Brown. In 1984, they started Brownson Technical School in the back of that business! Then, in 1987, we moved to our current location in Anaheim, CA. Our program has continued to expand and change with the times from the original program in 1984. If you want to know more about the history and the founders, you can go to www.brownson.edu/history-of-brownson or see a similar story that we did on this on Instagram. We hope that you learned something new about our school today!
