

# THE BROWNSON BULLETIN

March 2025

## INTRODUCTION

Welcome to this month's edition of the *Brownson Bulletin*! We hope you enjoy reading the *Brownson Bulletin* this month!

## BULLETIN BOARD

### New Social Media Flyers are Now in Brownson!

**BY NICK BROWN**

In January, Brownson Technical School introduced a newer, more modernized version of our social media flyers. Our previous flyer was used for a while, but we believed it was too wordy and hard to read. So, we designed a new, more simplified version of our flyer that only reads, "Connect with us online," stylized in capital letters. This new flyer also has QR codes with social media logos only, making it easier to read. Be sure to scan our new social media QR codes in the hallways to stay in the loop with Brownson and to read the *Brownson Bulletin* online!

## ? WHAT IS YASKAWA VFD TRAINING? ?

In partnership with Yaskawa, Brownson Technical School is offering an exclusive online training program for certification as a Yaskawa HV600 VFD Start-Up Specialist. This comprehensive course covers installing, configuring, and troubleshooting Yaskawa variable frequency drives (VFDs)-- essential tools for HVAC motor control in modern industrial systems. Benefits of certification include industry recognition, enhanced employability, hands-on skills, and networking. The cost is \$220 (Payable by check, cash, or credit card). Register by visiting [www.brownson.edu](http://www.brownson.edu) and going under "Events". If you need help registering or have questions, contact Joe Keleman at [joe@brownson.edu](mailto:joe@brownson.edu). Invest in your future-- become a Yaskawa VFD-certified start-up technician today!

## THIS IS BROWNSON TECHNICAL SCHOOL!

### Our Mission Statement

**SOURCE: "BTS CATALOG" ([www.brownson.edu](http://www.brownson.edu))**

*"Brownson Technical School's mission is to make a positive change in someone's life through vocational training. At the heart of our mission is the desire to address the divergent needs and aspirations of the variety of adult learners who come to us from a wide range of educational, occupational, and experiential backgrounds, all of whom have chosen to acquire new technical skills to change or advance their individual careers and lifestyles."*

**1110 S Technology Cir. Ste D, Anaheim, CA 92805**

## **Program Description\***

### ***HEATING, VENTILATION, AIR CONDITIONING, AND REFRIGERATION TECHNOLOGY TRAINING IN 1040 HOURS!***

Students who complete our program can diagnose, service, install, and repair HVAC-R equipment and understand the reason for building to gain or lose heat, as well as helping mitigate the impact on energy usage. Our training also includes training on systems using direct digital controls (or “DDC”). The overall scope of this training is to prepare graduates to learn how to get the most out of the equipment’s performance, which is different than how this type of training is typically done. Our HVAC-R program sees the building as a “system” and the equipment as a “sub-system.” Moreover, as California moves towards "net-zero" energy usage for new residential and commercial buildings, we must also bring existing buildings to the new energy standards. These newer State standards affect many types of buildings, and our training will prepare you for these types of changes.

***MAKE AN APPOINTMENT TODAY!***

***(714) 774-9443***

***WWW.BROWNSON.EDU***

\*Our program meets the educational requirements to proceed with the Local 250 Union Apprentices Program.

## **Why Brownson Technical School?**

When considering an HVAC-R training facility, one must do the proper research. Several schools offer HVAC-R training, including community colleges or schools that teach multiple trades.

Brownson is different! Here’s why:

- Lower-cost tuition than many schools in the area.
- We only teach HVAC-R!
- Our graduates can become NATE CORE Certified, HVAC Excellence Certified, and receive additional certifications.
- Our training can take as little as ten months\*!

**Instagram:** @brownsontech

**Facebook:** @brownsontech (Brownson Technical School)

**YouTube:** [www.youtube.com/@brownsontech](http://www.youtube.com/@brownsontech)

**Website:** [www.brownson.edu](http://www.brownson.edu)

**Phone Number:** (714) 774-9443

**1110 S Technology Cir. Ste D, Anaheim, CA 92805**

- Part of our training can be done online\*\*!
- We have a lab area of 12,000+ square feet filled with some of the most up-to-date equipment we can obtain!

\*Applies to our 10-Month Day Class Program

\*\*Applies to our 10-Month Blended Program

## **REGULAR INFORMATION**

### **Love *Brownson Bulletin*?**

Thank you for your interest in *Brownson Bulletin*! We hope that this edition was a good read for you! If you love *Brownson Bulletin*, check out our Facebook and Instagram accounts to read every edition of the *Bulletin*! We post them all on our accounts!

### **Questions or Requests?**

We would love to hear feedback from you all about this *Brownson Bulletin* edition! If you have ideas for the next edition, we would love to hear them! You can let us know by emailing our main writer, Nick Brown, at [nick@brownson.edu](mailto:nick@brownson.edu), or send us a DM on Instagram or Facebook. Your feedback is always appreciated to improve future editions of the *Brownson Bulletin*!

## **THANK YOU FOR READING!**

Thank you so much for reading this edition of *The Brownson Bulletin*. We hope that this month is enjoyable for you and very helpful in your HVAC-R journey! Have an outstanding month of **March** and the rest of 2025!
