

THE BROWNSON BULLETIN

March 2026

👋 INTRODUCTION 👋

Welcome to this month's edition of the *Brownson Bulletin*! We hope that you enjoy reading the *Brownson Bulletin* this month!

📌 BULLETIN BOARD 📌

Brownson 42nd Anniversary & Open House and Career Fair

BY NICK BROWN

March 2026 marks forty-two years since Brownson Technical School opened in March of 1984. To celebrate this achievement, we are hosting an open house and job fair on Friday, April 17, 2026, at 11 A.M. This event is meant for students to meet with employers and to celebrate our 42-year milestone. All of our students are encouraged to attend! Here are a few details about this event:

- **Friday, April 17, 2026 @ 11 A.M. – 2 P.M.**
- **1110 Technology Circle, Anaheim, CA 92805.**
- **MOD 8: Bring your résumé!**
- **Lunch will be catered to attendees.**
- **Vendors will be holding a tool raffle.**
- **Please RSVP for this event.**

See you there! 😊

BROWNSON TECHNICAL SCHOOL Celebrating 42 Years!

Open House and Job Fair

Friday, April 17, 2026

11:00 A.M. - 2:00 P.M.

1110 S. Technology Circle,
Anaheim, CA 92805

All students are invited to attend and connect with employers.

Module 8 students should bring a résumé and be prepared to speak with employers.

Lunch will be catered. ****Please RSVP****

Vendors are also doing a tool raffle! Come prepared to win some new tools!

SEE YOU THERE!

If you have any questions regarding this event, please speak with Gloria, Chelsea, or Marie!

Our flyer for this event. Please view for more details.

The Brownson Story

From the first 6-student class to our current school with over 250 students, Brownson has had many changes since 1984. Don and Bill Brown began Brownson in the back of Brownson Appliance and A/C with a goal in mind: educate the future generations with hands-on HVAC/R training. We have grown exponentially since that 1-room school back in the mid-80s, with 3 generations now involved in this family-owned school, paving the way for student success for many more years

WHAT IS YASKAWA VFD TRAINING?

In partnership with Yaskawa, Brownson Technical School is offering an exclusive online training program for certification as a Yaskawa HV600 VFD Start-Up Specialist. This comprehensive course covers the installation, configuration, and troubleshooting of Yaskawa variable frequency drives (VFDs), which are essential tools for controlling HVAC motors in modern industrial systems. Benefits of certification include industry recognition, enhanced employability, hands-on skills, and networking. The cost is \$220 (Payable by check, cash, or credit card). Register by visiting www.brownson.edu and going under “Events.” If you need help registering or have questions, contact Joe Keleman at joe@brownson.edu. Invest in your future-- become a Yaskawa VFD-certified start-up technician today!

WE ARE BROWNSON TECHNICAL SCHOOL!

Our Mission Statement

SOURCE: “BTS CATALOG” (www.brownson.edu)

“Brownson Technical School’s mission is to make a positive change in someone’s life through vocational training. At the heart of our mission is the desire to address the divergent needs and aspirations of the variety of adult learners who come to us from a wide range of educational, occupational, and experiential backgrounds, all of whom have chosen to acquire new technical skills to change or advance their individual careers and lifestyles.”

Program Description*

HEATING, VENTILATION, AIR-CONDITIONING, AND REFRIGERATION TECHNOLOGY TRAINING IN 1040 HOURS!

Students who complete our program can diagnose, service, install, and repair HVAC/R equipment and understand the reason for a building to gain or lose heat, as well as help mitigate the impact on energy usage. Our program also includes training on systems using direct digital controls (or “DDC”). The overall scope of this program is to prepare graduates to learn how to get the most out of the equipment’s performance, which is different than how this type of training is typically done. Our HVAC/R program sees the building as a “System” and the equipment as a “Sub-system.” Moreover, as California moves towards "Net-zero" energy usage for new residential and commercial buildings, we must also bring existing buildings to the new energy standards. These newer State standards affect many types of buildings, and our program will prepare you for these types of changes.

MAKE AN APPOINTMENT TODAY!

(714) 774-9443

www.brownson.edu

**Our program meets the educational requirements to proceed with the Local 250 Union Apprentices Program.*

Which Program is Right for You?

Check our table below to find out which program is right for you.

Program	Length (months)	Days a week	Instruction type
Day	10 months	4 (Monday-Thursday)	Only on-campus
Traditional Evening	22 months	3 (Monday-Wednesday)	Only on-campus
Blended	10 months	3 (Monday-Wednesday)	Partially online

Why Brownson Technical School?

When considering an HVAC/R training facility, one must do the proper research. Several schools offer HVAC/R training, including community colleges or schools that teach multiple trades. Brownson is different! Here's why:

- Lower-cost tuition per hour than many schools in the area.
- We only teach HVAC/R!
- Our graduates can become HVAC-Excellence Certified, receive additional certifications, and take NATE CORE.
- Our training can take as little as ten months*!
- Part of our training can be done online**!
- We have a lab area of 12,000+ square feet filled with some of the most up-to-date equipment we can obtain!

*Applies to our 10-month Day program

**Applies to our 10-month Blended program

What do Our Graduates Say About us?

As we have previously mentioned, prior to enrolling in a trade school, or in this case, an HVAC/R school, "One must do the proper research." Sometimes, that

"Research" could be done on the school's website in their testimonial section.

Testimonials are given by the graduates who loved their school so much that they decided to recommend it to prospective students. On Brownson's website, we, like many schools, also have a testimonial section. Some of our testimonials are written, while others

are filmed. If you are still not sure about Brownson and want to see what others think, please visit

www.brownson.edu/why-bts/testimonials, or scan the QR code to the right. >>>

“Excellent experience very hands on. Instructor very helpful.”
— Anthony Arnold

“Staff was on point. Learned to be a problem solver and not a part changer. Hands on and open your brain to a flood of info. Thanks again.”

— Falemanu B. Vaioletama Jr.

“I'm very happy and proud to have Graduated from B.T.S. Unbelievable staff helpful in all areas... Highly recommend to whomever wants to join the A.C field. Thanks Brownson Tech School!”

— Art Gonzalez
