

THE BROWNSON BULLETIN

October 2024

INTRODUCTION

Welcome to this month's edition of the *Brownson BOO-letin!* This month, we recapped our *Constitution Day* assembly. Enjoy!

BULLETIN BOARD

Constitution Day Speech

BY NICK BROWN

Last month, Director Bill Brown held an assembly where he explained the *US Constitution* and its importance to our country.

He went over the Preamble, Articles, and Amendments. This assembly was actually recorded, so, if you missed it, you can watch the video on our YouTube channel. The video is expected to be fully published later this month. Once it is published, we will make an announcement on our social media accounts. The link for the video is posted below:

THIS IS BROWNSON TECHNICAL SCHOOL!

Our Mission Statement

SOURCE: BTS CATALOG (www.brownson.edu)

Brownson Technical School's mission is to make a positive change in someone's life through vocational training. At the heart of our mission is the desire to address the divergent needs and aspirations of the variety of adult learners who come to us from a wide range of educational, occupational, and experiential backgrounds, all of whom have chosen to acquire new technical skills to change or advance their individual careers and lifestyles.

Program Description*

HEATING, VENTILATION, AIR CONDITIONING, AND REFRIGERATION TECHNOLOGY TRAINING IN 1040 HOURS!

Students who complete our program will be able to diagnose, service, install, and repair HVAC-R equipment and understand the reason for building to gain or lose heat, as well as helping mitigate the impact on energy usage. Our training also includes training on systems using direct digital controls (or “DDC”). The overall scope of this training is to prepare graduates to learn how to get the most of the equipment’s performance, which is different than how this type of training is typically done. Our training sees the building as a system and the equipment as a sub-system. Additionally, as California moves towards “net-zero” energy usage for new residential and commercial buildings, we must also bring existing buildings up to the new energy standards.

MAKE AN APPOINTMENT TODAY!

(714) 774-9443

WWW.BROWNSON.EDU

*Our program meets the educational requirements to proceed with the Local 250 Union Apprentices Program.

Why Brownson Technical School?

When considering an HVAC-R training facility, one must do the proper research. Several schools offer HVAC-R training, including community colleges or schools that teach multiple trades.

Brownson is different! Here’s why:

- Lower-cost tuition than many schools in the area.
- We only teach HVAC-R!
- All graduates can become NATE CORE Certified, HVAC Excellence Certified and receive additional certifications.
- Our training can take as little as ten months*!
- Part of our training can be done online**!

Phone Number: (714) 774-9443

1110 S Technology Cir. Ste D, Anaheim, CA 92805

- We have 12,000+ square feet of lab area filled with some of the most up-to-date equipment we can get our hands on!

*Applies to our 10-Month Day Class Program

**Applies to our 10-Month Blended Program

REGULAR INFORMATION

Love Brownson Bulletin?

Thank you for your interest in *Brownson Bulletin*! We hope that this edition was a good read for you! If you love *Brownson Bulletin*, check out our Facebook and Instagram accounts to read every edition of the *Bulletin*! We post them all on our accounts!

Questions or Requests?

We would love to hear feedback from you all about this Brownson Bulletin edition! If you have ideas for the next edition, we would love to hear them! You can let us know by emailing our main writer, Nick Brown, at nick@brownson.edu, or send us a DM on Instagram or Facebook. Your feedback is always appreciated to improve future editions of *Brownson Bulletin*!

THANK YOU FOR READING!

Thank you so much for reading this edition of *The Brownson Bulletin*. We hope that this month is enjoyable for you and very helpful in your HVAC-R journey! Have an outstanding month of *October* and the rest of 2024!
