Brownson Voted Best Trade School of Orange County

BY NICK BROWN

On September 16, 2026, the *Orange County Register* listed Brownson Technical School as the number one trade school in Orange County in their article titled "Best trade school: Best of Orange County 2026." This is the 2nd year in a row Brownson has earned the number one spot, and we've received this award every year since 2023! We are beyond thrilled that we have received this award. When asked to comment, Director Bill Brown said, "We're honored to be part of *Best of* OC for the 4th year in a row, and this year we were voted number one trade school in Orange County for the 2nd consecutive year." Thank you, *Orange County Register*!
